RE: Pilgrimages 2020 and beyond

Dear friends,

We hope that you and your loved ones are coping well and waiting for a better time sooner than later. We would like to express our gratitude to all our pilgrims, chaplains and group leaders for their support in the past few months. You gave us hope and guaranteed our future.

Many of you phoned us to inquire if we are okay, others texted/emailed to offer their support and our Spiritual Leaders and group organisers rooting for us. We are humbled by your generosity, touched by your trust and grateful for your continued support. We, at St. Peter's Pilgrimages, give you our word that we will forever serve you with sincerity, humility and love.

Covid-19 made us to reflect one more time. We founded the organisation with a simple philosophy - to serve and facilitate your Journey of Faith; and we being a tiny instrument. Once again, we feel that we have been given a second chance to continue our mission, correct our wrongs, love our neighbours and above all, be true to ourselves. Thanks be to God, we are still in the business.

St. Peter's Pilgrimages is now open full time. We started taking advance bookings for the summer and those who are already booked will be contacted by our team over the coming days.

The first two pilgrimages are ...

24 July 2020 / 5 Days (Lourdes & Nevers) by Coach £350

24 July 2020 / 5 Days (Medjugorje) by Air £450

From August onwards ... all our scheduled departures remain as advertised.

Lastly, due to some technical problems at our offices in Richmond and lack of engineers available from our telecom provider during the lockdown, we were forced to give up our number 0208 947 6369 (no longer operational). From now on... the main office lines are as above on this stationary.

With your support and our determination, we have no doubt that we'll be able to pull it off big time.

In Christ we trust,

Mo, Suu and the family of St. Peter's Pilgrimages
